Sir :

We have received a Deposit Account Statement dated May 2003 showing that an amount of \$55.00 for a first one month extension of time was charged to our deposit account in connection with the above-identified application. Our records show, however, that on May 15, 2003, we paid a fee, by credit card, of \$205.00 for a two month extension of time. It therefore appears that the charge appearing in the statement was made in error and it is therefore asked the amount charged, \$55.00, be credited to our deposit account #024035.

Respectfully submitted,

BROWDY AND NEIMARK
